*Proceedings of the Madras Government, Public Works Department,
27th October 1874.*

No. 577. Read the following letter from G. S. SAGE, Esq., District Engineer, South Arcot, to Colonel G. W. WALKER, R. E., Chief Engineer, Public Works Department, dated Camp at Cuddalore, 1st October 1874, No. 141:—

I HAVE the honor to submit revised estimates, etc., as per margin, called for in G. O., No. 176, of 24th August 1874, for District Munsifs' Court-house proposed to be built at Virdachellum and Villapuram, and request that early sanction to the same be obtained to enable me to utilize the current year's grants for the works.

No. 578. ORDER THEREON, 27th October 1874, No. 3,054.

CIVIL WORKS, No. 42.

His Excellency the Governor in Council sanctions the estimates for constructing District Munsifs' Court-houses at Virdachellum and Villapuram in the South Arcot District, revised in accordance with the design approved in G. O., No. 1,292, dated 15th July 1874, (Judicial Department*).

*Public Works Order, No. 2,268, dated 15th August 1874.

2. The component parts of the estimates are shown below:—

3. It is observed from the District Budget for 1875-76 that it is not proposed to expend the full allotment of Rupees 9,000 for these buildings in the current year; Rupees 4,000† will accordingly be transferred for outlay on the Taluq Cutcherry at Kullakoorchy, estimates for which have been submitted. And the District Engineer will be warned not to

allow the Range Officer to rest satisfied with the entry in his progress reports of expenditure of the balances of allotments on the mere collection of materials at site; but to impress upon him the necessity for starting actual work, in the full

assurance that, as incomplete works of one year are always fully provided for in the next, work may be carried on without interruption. The other course, which is too commonly adopted, often results in damage to materials and loss to Government.

4. It is observed that no latrine accommodation has been provided at Villapuram, which requires explanation.
