*Proceedings of the Madras Government, Public Works Department,
28th October 1874.*

No. 602. Read the following Proceedings of the Madras Government in the Military Department, dated 5th September 1874, No. 2,899:—

ABSTRACT.—Approving of an approximate estimate for erecting a shed to cover the tank for tar in the upper Arsenal Fort of Bangalore.

No. 603. ORDER THEREON, 28th October 1874, No. 3,067.

MILITARY WORKS, No. 10.

It is remarked that a cover is provided in the plan and estimate of Rupees 280 for constructing a tar tank sanctioned in G. O., No. 1,186, of 4th May. The District Engineer may cover it over with a cheap open shed from funds at his own disposal at a cost that can be sanctioned without reference to Government; but additional funds will not be supplied from the reserve.

2. The District Engineer is much to blame in that the estimate first submitted did not provide for all requirements. He has already, in G. O., No. 1,630, of 23rd June 1873, been admonished against the practice of planning and estimating in this imperfect manner.
