*Proceedings of the Madras Government, Public Works Department,
28th October 1874.*

No. 611. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., Superintending Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 7th October 1874, No. 1,370:—

In reference to G. O., 30th January 1874, No. 229, directing certain recoveries to be made from Mr. Supervisor Hamnett, I have the honor to report that the District Engineer, Vizagapatam, in his letter No. 1,104, dated 5th, and received 15th ultimo, (copy enclosed,) gives the amount to be recovered from Mr. Hamnett as Rupees 307-0-6.

2. On receiving this letter from me, Mr. Hamnett has, in reply in his letter, No. 186, dated 30th ultimo, made the following representation to me:—"As I am unable to pay up this sum in a lump, and as I am disinclined to borrow the sum from any one in this district and place myself under obligations to them, I request you to be kind enough to obtain permission for me to pay it up in seven monthly instalments."

3. As the sum in question to be paid up by Mr. Hamnett, viz., Rs. 307-0-6, is certainly considerable for a man in his position, I would suggest that he be allowed to make good the same by instalments of Rupees 50 per mensem.

4. In conclusion, I think it only right to call the attention of Government to the extraordinarily small prices for which the articles mentioned in Captain Hindle's letter have been sold.

No. 612. ORDER THEREON, 28th October 1874, No. 3,072.

ESTABLISHMENT, No. 52.

The money will be recovered in six monthly instalments. Lieutenant-Colonel Roberts is at liberty to enter into communication with Major Hindle on behalf of Mr. Hamnett for any explanation he may consider necessary as to the price at which the articles were sold. But meanwhile the Government loss must be recouped.
