*Proceedings of the Madras Government, Public Works Department,
29th October 1874.*

No. 631. Read the following letter from Major J. O. HASTED, R.E., Officiating Superintending Engineer, Kistna, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Masulipatam, 8th October 1874, No. 81:—

WITH reference to G. O., No. 39, dated 7th September 1874, I have the honor to report that the Range Officer states the earthen fence and gates to the Guntoor school were put up at the verbal request of Mr. Bowers, the then Inspector of Schools, 1st Division, and that the cost would have nearly been met from savings on the original estimate for the school-house had it not been that by an error 29½ cubic feet of teakwood were omitted in the estimate and had subsequently to be provided.

2. At the request of the present Inspector of Schools, 1st Division, an estimate for the earthen fence and gates, and for planting aloes on the top of the banks, amounting to Rupees 157, has been prepared and forwarded to him.

No. 632. ORDER THEREON, 29th October 1874, No. 3,082.

CIVIL WORKS, No. 46.

RECORDED. The Range Officer will doubtless know better in future than to act on verbal requests of persons who have not been authorized by Heads of their Departments to ask for any additions or alterations to sanctioned works.
