*Proceedings of the Madras Government, Public Works Department,
2nd November 1874.*

p. R.
No. 16. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 16th October 1874, No. 6,336:—

WITH reference to G. O., No. 2,729, of the 28th September last, I have the honor to report, for the information of Government, that hitherto the practice has been to dispense with appropriations only in respect to major works which require less than Rupees 500 each for their completion. With the exception of Items 1 and 2 of the works detailed in the Government Order above quoted, all are minor works.

2. The rule in the Manual of Public Works Accounts (Section II., paragraph 90,) and G. O., No. 1,429, of the 8th June 1872, refer to major works only as those for which no grants are required when the cost of completing them is likely to be less than Rupees 500 each.

No. 17. ORDER THEREON, 2nd November 1874, No. 3,112.

ACCOUNT, No. 4.

THERE is no reason for making a distinction between major and minor works, expected to have been completed in any one year but remaining incomplete in the next year, and to complete each of which less than Rupees 500 is required.
