*Proceedings of the Madras Government, Public Works Department,
4th November 1874.*

No. 53. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 20th October 1874, No. 6,446:—

I HAVE the honor to recommend that the sanction of Government be given to the purchase of a copy each of the Civil Pension and the Civil Leave Code for use in Offices of Superintending and District Engineers and of Range Officers.

2. As frequent reference has to be made to the above-mentioned codes in preparing applications for leave, pension, and gratuity, and in filling up service books, it is very desirable that each Range Office and the Office of every Superintending and District Engineer should have copies, and therefore if general sanction be given, as above recommended, on this one application, the Government will not be troubled with the numerous applications which otherwise will be made on behalf of all Public Works Offices not at present supplied with the codes in question.
