No. 72. Read the following letter from Major J. N. HUNTER, R.E., District Engineer, Salem, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Yercaud, 14th October 1874, No. 134:—

WITH reference to letters, Nos. 361 and 418, dated respectively 5th and 17th

2 Site Plans.

2 Plans.

2 Abstract Estimates.

2 Specifications.

March 1874, from the late Inspecting

Engineer for Civil and Military Build-

ings, I have the honor to submit estimates

of Rupees 3,410, accompanied by plans

and specifications, for constructing a Range and Overseer's Office and Stores at Tripatore, and an Overseer's Office and Stores at Uttengherry in the Tripatore Range, which are urgently required, and to request that Government will be pleased to sanction the same.

2. The buildings are on the measurements suggested by Colonel Foord in his letters quoted above.

3. At Tripatore there is no Range Office. At present the work is done in the old soldier's shed, which is both inconvenient and insecure, the real office having been hitherto the Range Officer's own house.

4. There are buildings called Overseer's sheds at Tripatore and Haroor division in the Uttengherry Taluq; they are utterly useless, the mud walls are decayed, the roofing destroyed by white-ants and insecure.

5. The works have been entered in my Budget for 1875-76.

No. 73. ORDER THEREON, 4th November 1874, No. 3,140.
