*Proceedings of the Madras Government, Public Works Department,
5th November 1874.*

No. 94A. Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Cuddalore, 23rd October 1874, No. 60 :—

ALTHOUGH by Government Order of the 16th March last, No. 714, Department Public Works, I was ordered to make arrangements in common with certain other Collectors for the transfer of the lands required for the South Indian Railway Extension from Cuddalore to Tanjore, and though some miles of the line in this district have been lock-spitted and made over to the Railway Company, no Notification under Section 4, nor Declaration under Section 6 of Act X. of 1870, with reference to these lands, appears to have been issued by Government. In order therefore to avoid difficulties in the event of awards being made, or of disputes arising and being referred to the Civil Courts for arbitration, I would suggest that such notification and declaration if possible be issued at once as regards the whole length of line from Cuddalore to Tanjore.

2. I would also venture respectfully to draw the attention of Government to the provisions of Section 50 of the Act, the Agreement between the South Indian Railway Company and the Secretary of State not having to my knowledge been yet published, as required by Law.

No. 94B. ORDER THEREON, 5th November 1874, No. 3,151A.

RAILWAY, No. 10A.

THE Collector will be good enough to submit a Draft Notification for publication in the *Gazette* in accordance with

the provisions of the Land Acquisition Act.
