Proceedings of the Madras Government, Public Works Department,
10th November 1874.

No. 163. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevelly, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 17th October 1874, No. 113:—

With reference to G. O., No. 201 of the 23rd July 1874, directing me to prepare the estimate for the bell, communion, etc., required for Christ's Church, Trevandrum, as detailed in paragraph 2 of G. O., in the Financial Department, No. 148, of the 22nd June 1874, I have the honor to state that the Chief Engineer to His Highness the Maharajah of Travancore has been good enough to prepare an estimate for the following items and to undertake the work:—

	Rs.
Rattaning seats	60
Covering and stuffing foot-stools	60
Communion table	60
Contingencies and extra establishment ...	18

198 Travancore Rs. =194-8-5 British Rs.

2. The provision of the font required has already been arranged for, see G. O., No. 2,731-C, dated 28th September 1874.

3. With regard to the bell, never having seen Christ's Church I applied to Mr. Jacob and the Chaplain to favor me with their opinion as to the size and weight of bell suitable.

4. Mr. Jacob was good enough to send me a design which the Chaplain considered suitable. This bell is 2 feet 5 inches diameter at the mouth, and the General Superintendent, Public Works Stores and Workshops, estimates the cost at Rupees 750 delivered in Madras. It would cost therefore about Rupees 825 delivered and fixed.

5. The Rev. Mr. Pettigrew states that a smaller sized bell would not be suited for Trevandrum, I therefore request orders as to whether Government are prepared to sanction the above sum, or what limit of price they will allow me.

6. I request you will be good enough to allot the sum of Rupees 195 above-mentioned.

No 164. Order thereon, 10th November 1874, No. 3,186.

CIVIL WORKS, No. 17.

The District Engineer will provide the sum of Rupees 195 from his allotment under Repairs Civil Buildings, Provincial, no other funds being available.

2. The dimensions and cost of the bell proposed to be provided are far in excess of those usually allowed. The District Engineer, Presidency, will be authorized to supply a bell weighing 172 lbs., with a diameter at bottom of 20 inches and 15 inches at the top, at a cost of about Rupees 250.

3. An allotment of this sum will be made hereafter.

District Engineer Tinnevelly

To

Colonel G. W. Walker R.E.
Secretary to Government &c.

Sir

With reference to G. O. No. 201 of the 23d July 1874, directing me to prepare the Estimate for the Bell, Communion &c. required for Christ Church Trevandrum as detailed in para 2 of G. O. in the Financial Department No. 148 of the 22d June /74, I have the honor to state that Chief Engineer to His Highness the Maha-Rarajah of Travancore has been good enough to prepare an Estimate for the following items and to undertake the work.—

Pattanning Seats Rs. 60
Covering & Stuffing Foot Stools } 60
Communion Table Rs. 60
Contingencies and extra
Establishment Rs. 18 198. Travancore Rs
= 194. 8. 5. British Rupees.

2 — The provision of the Font required has

has already been arranged for. See G.O. No. 2731 C. dated 28. September 1874.—

3. With regard to the Bell, never having seen Christ Church Sap-plied to Mr. Jacob and the Chap-lain to favor me with their opi-nion as to the size and weight of Bell suitable.

4. Mr Jacob was good enough to send me a design which the Chaplain considered suitable. This Bell is 2'-5" diameter at the mouth, and the General Superintendent Public Works Store and Workshops estimates the cost at Rs. 750 deli-vered in Madras. It would cost therefore about Rs. 825 delivered and fixed.

5. The Rev. Mr Pettigrew states that a smaller sized Bell would not be suited for Trevandrum. I therefore request orders as to whe-ther Government are prepared to sanction the above sum, or what limit of price they will allow me.

6. I request you will be good enough to allot the sum of

Rupees 195-—- above mentioned.

I have the honor &c
