*Proceedings of the Madras Government, Public Works Department,
11th November 1874.*

No. 172. Read the following letter from Mr. J. HALL, late Sub-Engineer, Public Works Department, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Negapatam, 28th October 1874:—

WITH reference to the Proceedings of the Madras Government on the letters from Lieutenant-Colonel Roberts, Superintending Engineer, Tanjore District, Nos. 1,039 and 1,047, of September 1874, from which His Excellency the Governor in Council sanctions a free passage, 2nd class, for myself and family to England *via* the overland route through the Master Attendant of Madras, I beg most respectfully to inform you, as I and my family are at the present time so debilitated from over eight years' residence in this country, and having all suffered so severely from denghue fever, I consider it would be very injudicious for me to take my family to England at this season of the year, as we should just arrive at the setting in of winter, which would be very trying and perhaps fatal to us.

2. I humbly beg to request you will bring this to His Excellency Lord Hobart's notice, and obtain sanction to allow me to have the amount of the passage money disbursed to me. It would be 1,200 Rupees, as there are three of us. It would be conferring a benefit to me and enable me to get other employment until such a time as I could arrange to go at a more favorable season. Should His Excellency not comply with my humble request cannot the order for our passage stand good for some time.

No. 173. ORDER THEREON, 11th November 1874, No. 3,191.

ESTABLISHMENT, No. 7.

THE Master Attendant of Madras will be authorized to find a passage for Mr. Hall and his family at any time

within six months, reckoning from the 1st November.
