I HAVE the honor to report, for the information of Government, that at the request of the Agent, South Indian Railway, I have communicated sanction to the transfer of Rupees 434-2-11, being the unexpended balance of the estimate for temporary staff quarters in District No. 1 of the Southern Extension, to the same head in District No. 9.

2. The Agent explains that the sanctioned estimate for the quarters in the latter district was not exceeded during construction, but that the additional amount now applied for is to cover the cost of repairs, etc.

ADVERTING to your official memorandum, No. 737, dated 26th September 1874, I have the honor to request that letters, Nos. 65 and 84, dated 27th August and 7th ultimo, from the Agent of the South Indian Railway, may be returned to this office for reference. They were submitted to Government with this office letter, No. 548, dated 16th September 1874.

No. 186. From Lieutenant W. H. COAKER, R.E., Deputy Consulting Engineer for Railways in charge, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 14th October 1874, No. 622.

IN reply to memorandum, No. 737, dated 26th September 1874, I have the honor to inform you that the allotments in the Budget Estimate for 1874-75 will not be affected by the transfer of the unexpended balance of the estimate for staff quarters on District No. 1 to District No. 9, Southern Extension, of the South Indian Railway.

2. The transfer refers to the sanctioned estimate only, the Budget allotment for District No. 9 being sufficient to meet any additional expenditure for staff quarters during the current official year.

3. The Agent's letters, Nos. 65 and 84, dated 27th August and 7th September 1874, received with the Under Secretary's docket, dated 10th instant, are herewith returned.

Your No. 143, dated the 21st ultimo.

In reply to this reference the Chief Engineer reports to me as follows:—"My letter refers to the regular estimate and not to the Budget, the allotment in which is sufficient.

"The sanctioned amount for staff quarters District No. 1 is Rupees 2,250, of which Rupees 1,815-13-1 have been expended up to date, leaving a balance of Rupees 434-2-11, which I wish transferred to District No. 9. The sanction for staff quarters on this district has not been exceeded during construction, the increase now applied for is to cover cost of repairs, etc."

No. 187.

ORDER THEREON, 12th November 1874, No. 3,197.

RAILWAY, No. 27.

It is explained in the Consulting Engineer's letter, No. 622, dated 14th October, that the transfer reported in letter No. 548, dated 16th September, will not affect the allotments in the Budget Estimate of 1874-75. Under these circumstances the object of the transfer itself is not apparent. If the transfer be still required further explanation will be furnished by the Consulting Engineer.

It is submitted
 with reference to the
 remark of the Hono-
 rable Mr. Robinson
 on this draft that
 there is no objection
 to sanction any transfer
 of funds which may
 be necessary, but it
 is not understood
 what is required to be
 sanctioned. It appears
 that out of the estimate

it for Staff Quarter and
District No. 1. A sum
of Rs 434-2-11 remains
unexpended, and this
unexpended balance
was voted the trans-
ferred to District No. 7.

It was naturally
supposed in the Govt
Office that the allot-
ment for District
No. 9 was insufficient
and that it required
to be supplemented
to the extent of the
unexpended balance
in District No. 1. Memo:
No. 737, dated 26 Sep.

allotments in the
budget for 1874-75
would be affected by
the proposed transfer.
In reply the Consulting
Engineer reports that the
allotments will remain
undisturbed, and that
the grant for District
No. 9, does not require
to be increased. Under
these circumstances
necessity for any transfer
the state of the case
appears to be wholly
inescapable.
