*Proceedings of the Madras Government, Public Works Department,
11th February 1874.*

No. 183. Read the following letter from Colonel E. A. FOORD, R.E.,
Inspecting Engineer for Civil and Military Buildings, to Colonel G. W.
WALKER, R.E., Secretary to Government, Public Works Department,
dated Chepauk, 13th January 1874, No. 55:—

WITH reference to the Order of Government of the 6th of December 1873, No.
2,943, I have the honour to state that the old canteen in the lower Infantry Square,
which is now being repaired, will be used as a Lecture Hall. It is the wish of the
Officer Commanding the Mysore Division that one of the wards of the old hospital,
in the same square, should be repaired for the class of Garrison Instruction.
I have been informed that the instruction of Sub-Lieutenants, under the new rules,
commences in June, when a large number are expected. It is therefore necessary
that the repair of both buildings, that is old canteen and portion of old hospital,
should be completed by that time.

2. At present both wards of the old hospital are being used for the purpose
of Garrison Instruction. I have already explained that this building has not been
used as a hospital for a long time.

3. I have no more definite proposal to make than that in my letter of the 9th
of July 1873, No. 760. I then stated that a portion of the old hospital would be
required for Garrison Instruction, and that I had authorized the District Engineer
to proceed with the repair of one ward. The work has not been commenced for
want of funds, and I am unable to transfer the sum required (Rupees 3,350) from
any other district.

No. 184. ORDER THEREON, 11th February 1874, No. 329.

MILITARY WORKS, No. 5.

RECORDED, with remark that it is
presumed the necessary funds for fitting
up one of the wards of the old hospital
as a Garrison Instruction Room will be available from 1st April. Meanwhile both
wards appear to be capable of occupation. Funds for fitting the old canteen for
Lecture Hall were supplied in October last.
