Proceedings of the Madras Government, Public Works Department, 30th November 1874.

No. 523. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 6th November 1874, No. 7,060:—

WITH reference to G. O., No. 3,004, of the 22nd October 1874, I have the honor to request that you will be good enough to inform me if Mr. Assistant Engineer Grimes is to be regarded as coming under Rule 3, Section 6, of the Civil Pension Code, in respect to departmental service while in the army.

2. From information obtainable by this office it would appear that Mr. Grimes, while a Sub-Conductor, was appointed to the Engineer Establishment on *probation** in August 1870, and *permanently*† in February 1871, in anticipation of his discharge from the army, which appears to have had effect from the 28th March following, and therefore his case is not analogous to that of Mr. O'Shaughnessy, whose discharge from the army was taken while he held the rank of Serjeant (Mr. Grimes was a warrant officer), and was not necessitated by his advancement to the Engineer Establishment, which advancement did not take‡ place till more than three years after he had obtained his discharge from the army.

* *Vide Fort St. George Gazette* of the 30th August 1870.

† Do. do. of the 7th February 1871.

‡ Discharge from the army obtained in September 1862, appointed Assistant Engineer in November 1865.

No. 524. ORDER THEREON, 30th November 1874, No. 3,368.

ESTABLISHMENT, No. 28.

THE ruling in respect to Mr. Grimes' service under Military contract counting for Civil Pension was based on the decision of the Government of India communicated in G. O., No. 545, dated 18th February 1869, and is in accordance with exception 3 under section 6 of the Pension Code quoted by the Controller.
