*Proceedings of the Madras Government, Public Works Department,
2nd December 1874.*

Read the following letters :—

No. 33. From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 30th October 1874, No. 6,823.

WITH reference to G. O., No. 38, of the 7th October 1874, I have the honor to state that the orders* of Government * G. O., No. 680, of the 24th April 1874, in the Financial Department. quoted in paragraph 4 of the Collector's letter of the 3rd September 1874, printed in G. O., No. 1,559, of the 15th idem, in the Financial Department, have not been communicated to this office, and that as reported by the Superintending Engineer, in his letter printed with the last mentioned Government Order, the Hospital Assistant stationed at Bhowany has been paid entirely by the Public Works Department. Local Funds have certainly, by the ratable distribution of Establishment charges, contributed towards the pay of the subordinate, but there has not been the charge (three-fourths of the salary) to Local Funds as was intended by the order referred to by the Collector.

2. Under the circumstances above stated, and as Local Funds will in future be charged for Public Works supervision at the fixed rate of 25 per cent. on the outlay incurred from those funds on works and repairs, it may be thought desirable to have the services of a Medical Subordinate exclusively for the Public Works Department.

No. 34. From Colonel C. V. WILKIESON, R.E., Superintending Engineer, Coimbatore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coimbatore, 31st October 1874, No. 99.

WITH reference to G. O., No. 38, dated 7th October 1874, I have the honor to state that the President of the Local Fund Board is mistaken as to the payment of three-fourths of the salary of the Medical Subordinate at Bhowany, the whole of his salary being paid by my department up to date, and I have to request orders may be issued as to how his salary is to be paid in future, as if he does not belong to the Department of Public Works, I do not see why even the remaining one-fourth should be paid by this department.

2. In paragraph 2 of my letter of 22nd August 1874, quoted in this order, I state the whole of his pay is disbursed by me. I propose again paying him for the current month, pending further orders on the subject.

No. 35. ORDER THEREON, 2nd December 1874, No. 3,386.

ESTABLISHMENT, No. 4.

It would appear from this correspondence that the Medical Subordinate at Bhowany was originally appointed (at Satiamungalum) for attendance on Public Works Establishments, and has been paid from Public Works Funds.

Proceedings of the Madras Government, Public Works Department,
2nd December 1874.

2. That arrangement has now been set aside on the general grounds assigned in Financial Order, No. 1,559, of 15th September, and the Superintending Engineer in charge of the Coimbatore District will cease to pay the salary of the Medical Subordinate in question after the 31st October.
