No. 82. Read the following docket from the Controller of Public Works Accounts, dated Madras, 5th November 1874, No. 6,977 :—

THE following letter forwarded to the Secretary to Government, Public Works Department, for information with reference to this office letter, No. 5,027, of the 5th September 1874.

(Signed) T. MOSS,
Offg. Controller of Public Works Accounts.

From J. N. GRAINGER, Esq., General Superintendent of Public Works Stores and Workshops, to T. MOSS, Esq., Officiating Controller of Public Works Accounts, dated Chepauk, 31st October 1874, No. 1,187.

WITH reference to your letter to Government, No. 5,027, dated 5th September 1874, I have the honor to inquire whether any orders have been passed thereon.

2. I am led to make this inquiry first, having received a case of tracing cloth for the Irrigation Department by the Steamer *Geelong*; I cannot dispose of it, pending the orders of Government on your suggestion regarding its distribution to Irrigation Ranges or otherwise, and as no account has yet been opened out for the Irrigation Department, the booking of this article is held in abeyance, 2nd, the time for preparing the annual home indents is at hand, and I am desirous of knowing whether the ordinary requirements of the Irrigation Department are to be indented for separately or amalgamated with the Imperial indent, Civil and Military Buildings.

3. If the Government approve of your recommendation to have but one account "Imperial," the preparation of separate indents for the Irrigation Department, Ordinary, will be unnecessary.

4. I shall be glad if you could obtain early orders of Government on your letter above quoted, but, in the meantime, as I cannot delay the submission of the Annual Home indents, which must be despatched on 1st December, their preparation will be undertaken under existing orders on the subject.
