I HAVE the honor to submit herewith copies of reports just received from the Officers of Nos. I. and II. Ranges on the damages done to public works in this district by the late heavy rains.

2. It will be observed from the above that several roads as per margin have been injured by the floods, but the damages done in some cases are so slight that they can be repaired out of the annual maintenance grants of the roads. The only roads which have suffered much are the Pudimadaka branch road and the road from Vizianagram to Gajapatinagram. The damages of these roads cannot be repaired from the maintenance,

and therefore I shall have to apply to the Local Fund Board for a special grant for that purpose.

3. The irrigation channels, etc., noted in the margin are reported to have been breached. Arrangements will be made for setting right the damages as soon as possible.
