My Lord

I have the honor to request, you will bring to the notice of his Excellency the Governor in Council, that the furniture for the R. C. Church Bellary, ordered in G. O. No. 199, dated 23rd October 1872; the estimate for which was approved in the 7th June 1873. No. 1930. was made up in the R. C. Boys Industrial School by order of the District Engineer; with the understanding that it was to be paid for at the close of the official year in March 1874.

2. The furniture was made up, and the late lamented District Engineer, Captain Edgecombe and Colonel Ford the present District Engineer applied for funds to pay for it, but none has been placed at their disposal for that purpose nor for the erection of the Belfry sanctioned in G. O. dated 22nd April 1874 No. 90.

I trust his Excellency in Council will order the disbursement of the amount, as it is a heavy burden on the Boys' Industrial School to have so large a sum unpaid, and also to find a store room for the Church furniture and to incur

in risk of loss or injury to it till it will be put
up in the Church.

I have the honor to be
My Lord
