*Proceedings of the Madras Government, Public Works Department,
9th December 1874.*

No. 180. Read the following letter from T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 27th November 1874, No. 7,654 :—

With reference to G. O., No. 3,309, of the 23rd instant, I have the honor to inquire whether the intention was simply to get over the difficulty which occurred by the necessity of continuing the employment of Conductor Doheney in the Public Works Department after the date on which he was placed on the pension establishment, or to give him the means of drawing his pension from the date on which he might have left the Public Works Department had it not been necessary to retain his services after he had been declared to be a pensioner.

2. The question above is asked to enable me to grant the last pay certificate which the Pension Department will require. If the pay and allowances are to be treated as a gratuity, and if it is desired that Conductor Doheney should, in addition to that gratuity, receive the sanctioned rate of pension, my certificate will have to be to the effect that he received pay from the Public Works Department up to the 30th July 1874. If it is not intended that Conductor Doheney should draw his pension allowance in addition to the gratuity from the Public Works Department, perhaps the simplest course would be to ask the Military Department to alter the date of admission to the Pension Establishment, and to treat the payment from the Public Works Department as ordinary allowances, and not as a gratuity.

No. 181. ORDER THEREON, 9th December 1874, No. 3,461.

ESTABLISHMENT, No. 15.

THE arrangement in question was made purposely to obviate a reference to the Military Department, and any change in the date of Conductor Doheney's transfer to the pension list.
