I HAVE the honor to bring to your notice that the Collector has called upon me to provide screen doors to the iron grated doors of the new Ambasamoodrum Cutcherry.

2. I beg to state that I had an estimate prepared for this service, and the cost of six doors amounts to Rupees 115. The estimate is herewith forwarded.

3. There is a saving of Rupees 400 and odd on the Cutcherry, and I request permission to have these doors fixed, paying for the same from the savings on the main estimate.

4. If I understand G. O., No. 868, dated 27th March 1874, aright, separate sanction should be obtained for any extra work not included originally in an estimate, although it may be found possible to carry out such work from savings.
