Read the following papers :—

No. 242I. From W. FRASER, Esq., C.E., District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Sirwel, 22nd January 1874, No. 1,008.

I HAVE the honour to request that you will be good enough to permit me to employ, as a Taluq Overseer, T. Appavu Pillay who was lately employed as an Overseer on the East Coast Canal, and at present employed as an Overseer in the Salt Department.

2. He has not passed the usual test for this post; but I know him to be very superior to many who have; and his long experience in the department makes his services very valuable as a practical Overseer.

3. He was a Sub-Overseer in Salem; when that grade was abolished in, I think, 1863, he was appointed Taluq Maistry, but resigned on the advice of, I think, Colonel Wilkieson who wished him to take up contracts. He gave that business up and entered as a temporary Overseer on the East Coast Canal, where he remained until the abolition of that office, when he was offered an appointment, on the same

pay,* in the Salt Department where he is now. Seeing my advertisement for

Overseers, he expressed a wish to come to this district, and I should like to have him, as he is a really good Overseer. As I have neither seen nor known anything about him for some years, I would refer you to Mr. Harrington should you require further information about him, as he served under Mr. Harrington until very lately.

If you will consent to his appointment, will you be good enough to inform me whether any portion of his past services would count for pension.

4. The late Head Accountant of the East Coast Canal wishes to come to me as a Range Accountant. He now receives compensation pension, but he would give that up on re-appointment. He is very far superior to any Accountant in this district, and I want him greatly for Kambam. I suppose there is no objection to his re-employment.

REFERRED to Mr. Harrington for report.

(Signed) G. W. WALKER, Colonel, R.E.,
Chief Engineer, P.W.D.

29th January 1874.

No. 242II. From W. S. HARRINGTON, Esq., District Engineer, Malabar, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Calicut, 3rd February 1874, No. 12.

I HAVE the honour to acknowledge the receipt, on yesterday's date, of your docket, dated 29th ultimo, referring to me for report Mr. W. Fraser's No. 1,008, dated 22nd idem (herewith returned), to your address.

2. I have a very good opinion of T. Appavu Pillay, whom Mr. Fraser requests permission to employ as a Taluq Overseer; this opinion will be found amongst the records of the late East Coast Canal Range Office, as well as on those of the present No. 2, or Mount Range; and I would suggest that Captain A. C. Smith be requested to send copies of the letters I wrote in Appavu Pillay's favour. Major Hasted also wrote in laudatory terms about him, and I know that it was a matter of regret with him, as it certainly was with me, that so good a man should not have been suc-

cessful in obtaining an Overseership in the department some time ago, such having been actually promised to him by Colonel Wilkieson when Superintending Engineer.

2. I can also testify very favourably to the merits of S. Narrainsawmy Naidoo, the ex-Head Accountant of the East Coast Canal Range; he is the same man whom I recommended as Head Accountant of No. 2, or Mount Range, in place of the present incumbent; he is a thoroughly hard-working, painstaking, and well-behaved man, and I can confidently recommend him as Head Accountant of any Range Office.

No. 242-J.

ORDER THEREON, 12th February 1874, No. 347-E.

ESTABLISHMENT, No. 11-A.

In consideration of the favourable testimony borne to the merits and qualifications of P. Appavu Pillay, His Excellency the Governor in Council authorizes his entertainment as an Overseer of the 3rd Grade, on the conditions laid down in G. O., No. 2,165, dated 12th September 1872. Claims to former service, however, appear to be barred by Section 44, Chapter X., of the Civil Pension Code.

2. There is no objection to the re-employment of S. Narrainsawmy Naidoo, late Head Accountant of the East Coast Canal Range, under the conditions laid down in Section 91 of Chapter XX. of the Code.
