*Proceedings of the Madras Government, Public Works Department,  
14th February 1874.*

No. 277. Read the following endorsement of the District Engineer, South Arcot, dated Pattambakam, 28th October 1873, No. 141 :—

From H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to R. E. NORFOR, Esq., District Engineer, South Arcot, dated Cuddalore, 25th October 1873, No. 238.

WITH reference to your foot-note, No. 882, dated 21st instant, to Government Order, dated 7th idem, No. 2,467, I have the honour to state that, in my opinion, new Subsidiary Jails are not required either at Tindevanum or Merkanum, at any rate not at present, and there are other buildings which are more urgently needed towards the construction of which these funds might well be applied. A list of buildings required in the district is now being prepared for the Board of Revenue, a copy of which will be forwarded to you.

2. At Trinomalay the construction of a Sub-jail should be considered in connection with a new Taluq Cutcherry which the Deputy Collector reports to be much needed.

SUBMITTED for the information of the Chief Engineer, Department Public Works.

2. The Subsidiary Jail at Merkanum has been entered in the Provincial Budget of the ensuing year. This was submitted through the Magistrate, who intimated in letter No. 222, of the 1st instant, his approval of precedence given to the works therein, but it would now appear that he has since changed his opinion.

(Signed) R. E. NORFOR,
