*Proceedings of the Madras Government, Public Works Department,
14th February 1874.*

No. 279. Read the following endorsement of the Chief Secretary to Government, dated 4th November 1873 :—

From J. H. MASTER, Esq., Collector and President of the Municipal Commission, Bellary, to the Honorable W. HUDLESTON, Chief Secretary to Government, dated Bellary, 31st October 1873, No. 76.

THE Municipal Commissioners of the town of Adoni are desirous of erecting a Dispensary on the standard plan, the cost of which would be likely to be some 20,000 Rupees.

2. But they have no subordinate possessing a sufficient practical knowledge of building to whom they can entrust the work, and they themselves lack the necessary engineering skill.

3. Under these circumstances, they beg that the execution of the work may be entrusted to the Department of Public Works.

4. I have the honour to support their request, and beg that the necessary orders may be passed regarding it; of course the charge for Public Works supervision will be additional to the estimate, and will have to be paid by the Municipality. In the current year's Local Fund Budget Rupees 5,500 have been allotted as a contribution for the work.

REFERRED to the Department Public Works.

(Signed) W. HUDLESTON,
Chief Secretary.
