*Proceedings of the Madras Government, Public Works Department,
14th February 1874.*

No. 291. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 29th January 1874, No. 4,459 :—

I HAVE the honour to forward, for the orders of Government, the accompanying letter, No. 890, dated 14th instant, and its enclosed list from the Supervisor in charge, Madura Range.

1 Copy of letter and
1 List.

2. It will be seen that up to the time of Mr. Leggatt's giving over charge of the range there were in the two taluqs of Madura and Meyloor, forming Mr. Leggatt's executive charge, no less than 18 works executed during 1872-73, but for which completion certificates still remain to be furnished.

3. I have directed Supervisor Mooneappah Pillay to lose no further time in submitting the completion certificates in question, but as in many of the cases it is quite impossible, at this late date, for him to furnish these in proper form, I think it right to bring the circumstance to notice.

No. 292. ORDER THEREON, 14th February 1874, No. 373.

ESTABLISHMENT, No. 15.

MR. G. R. LEGGATT will be expected either to supply the necessary completion certificates within the period of his privilege leave, or if his health does not permit of his doing so, will remedy the omission afterwards; the salary to be drawn by him for the period so occupied being that which he would draw if under suspension.
