*Proceedings of the Madras Government, Public Works Department,
16th February 1874.*

No. 300. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 15th January 1874, No. 27:—

I HAVE the honour to submit, for the sanction of the Government of India, an

estimate,* amounting to Rupees 1,018,† of the cost of constructing a water-pandal at the Jollarpett Station on the Madras Railway, for the use of native passengers.

2. Mr. Runganatha Row, the Deputy Collector of Madras, who has maintained during the last fifteen months the temporary water-pandal at Jollarpett erected by the Company, has undertaken to invest in the name of the Company's Agent and Manager funds sufficient to provide for its perpetual maintenance, on the understanding that the Company will provide a suitable building of a permanent character. The Railway authorities recognize the expediency of encouraging an offer of this character, which without doubt will contribute greatly to the convenience of their native passengers; and the present application is accordingly submitted and recommended for the favourable consideration of Government.

3. Funds to meet the expenditure are available from Schedule C. of the Budget Estimate for 1873-74, and the sanction will lapse at the end of the fourth quarter from the date of its receipt.
