*Proceedings of the Madras Government, Public Works Department,
10th January 1874.*

No. 98. Read the following letter from Major C. H. LUARD, R.E., Officiating Under Secretary to the Government of India, Public Works Department (Guaranteed Railways), to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department (Railway), dated Fort William, 10th December 1873, No. 2,100-G. R.:-

I AM directed to acknowledge the receipt of your letter No. 2,695, dated 4th November 1873, and in continuation of this office telegram of 8th December 1873, to convey the sanction of the Government of India to the estimate, amounting to Rupees 36,342, for the construction of nine additional second-class sleeping carriages on the Madras Railway. From the drawing submitted it is understood that that there are to be three berths in these carriages, and the height from the lower seat to the bottom of the window frame appears to be so great as to be likely to prevent the occupant when lying down from receiving any benefit from the air which would apparently pass over instead of on to him. This might perhaps be remedied.

2. This sanction has been registered as No. 26-M. R. of 1873-74.

No. 99. ORDER THEREON, 10th January 1874, No. 47.

RAILWAY, No. 16.

COMMUNICATED to the Consulting Engineer for Railways, with reference to G. O. of 4th November 1873, No. 2,614,

and with a request that he will draw the attention of the railway authorities to the remarks in the concluding portion of paragraph 1.

Secretary to Government.
