*Proceedings of the Madras Government, Public Works Department,
5th January 1874.*

No. 11. Read the following letter from R. K. WILLIAMS, Esq., Officiating Examiner of Railway Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 4th December 1873, No. 906:—

In reply to an inquiry addressed to him on the subject, the Accountant-General, in the Public Works Department, states that the Accountants in this office are not entitled to annual increases of pay, the appointments having been sanctioned on fixed salaries, but expresses his opinion that the appointments for the Accountant on Rupees 160 and the one on Rupees 100 might with advantage be changed to appointments for Accountants, 3rd and 4th grade, respectively, carrying the progressive pay allowed for those grades in the Public Works Code, Chapter I. section I., paragraph 12, and suggests that the Government of Madras may be moved to recommend to the Government of India, with this object, a revision of the scale of establishment sanctioned for this office.

2. It should be stated that the inquiry was made by this office as the 3rd Grade Accountant, drawing a salary of Rupees 160 per month, completed in August last one year's service, during which time he conducted his duties in a most satisfactory manner, and it is considered very desirable to be able to grant the encouragement afforded by the system of annual increments for approved service laid down in the Public Works Department Code.

3. I have, therefore, the honour to respectfully solicit that the Government of Madras may be pleased to recommend to the Government of India that the appointments in this office for the Accountants drawing salaries of Rupees 160 and Rupees 100 per month may be changed to appointments for Accountants, 3rd and 4th grade, respectively, carrying the annual increments for approved service provided in the Public Works Department Code.

4. The usual statement is submitted herewith.

No. 12. ORDER THEREON, 5th January 1874, No. 4.
