*Proceedings of the Madras Government, Public Works Department,
10th January 1874.*

No. 110. Read the following letter from G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Wontimettah, 7th December 1873, No. 1,791:—

I HAVE the honour to enclose a bill for Rupees 15, travelling allowance disallowed by Controller as per his audit note also enclosed, and with reference to my remarks therein to request

the sanction of Government as per G. O., No. 764, of 10th March 1873.

1 Travelling Allowance Bill.
1 Audit Note.

No. 111. ORDER THEREON, 10th January 1874, No. 54.

ESTABLISHMENT, No. 8.

THE District Engineer of Cuddapah remained at his head-quarters for three days, while he sent his camp by road, fifty-one miles, to Codoor, a station on the Madras Railway, where he himself proceeded on the fourth day. He claims Rupees 15 travelling allowance for the three days that his camp preceded him, and Rupees 9-12-9 being double railway fare for the fourth day.

2. His reasons for not accompanying his camp are that he wished to avoid travelling over the same ground twice and to admit of his disposing of as much office work as possible. These cannot be admitted as valid reasons for putting the Government to extra expense; a Public Works Officer cannot go over his ground too often, and by proper arrangements he ought to do his office work as efficiently in camp as at head-quarters. His Excellency the Governor in Council will not, on this occasion, object to four days travelling allowance at Rupees 5 a day being passed to Mr. Sage, but he has not shown real cause why more than double railway fare for the journey on the fourth day should be passed to him; and allowance at that rate only will be passed on any future similar occasion when his claim is not supported on better grounds.
