No. 133. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 25th November 1873, No. 634 :—

I HAVE the honour to submit the Establishment Lists of the Carnatic Railway for the half-year ending the 30th June 1874, as sanctioned by me at a meeting held for the purpose upon the 12th instant.

2. Under the instructions of the Government of India, provision for certain charges has been made for the first time, which has caused a considerable increase under certain heads over the amounts previously sanctioned.

3. In the Agency Department the salary set against the Agent and Manager will be drawn by the General Superintendent of Stores, to which post Mr. Fisher, the late Agent, has been appointed. The entire salary of the present Agent is entered in the Establishment List of the Great Southern of India Railway.

4. In the Engineering Department no salary has been entered against the Chief Engineer, as Mr. Dibblee's engagement expired in September last, and the entire salary of Mr. Logan, the present Chief Engineer, is entered in the Establishment List of the Great Southern of India Railway. There is an addition to the number of first-class Assistant Engineers, one having been transferred from the Great Southern of India Railway.

5. In other respects the lists call for no special remarks.
