*Proceedings of the Madras Government, Public Works Department,
3rd September 1874.*

No. 74. Read the following letter from Colonel J. H. CROMMELIN, R.E., Deputy Secretary to the Government of India, Public Works Department, (Military Works,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 14th August 1874, No. 1,391 M. W.:—

INSTANCES have recently come to the notice of the Government of India, from which it would appear that the orders laid down in Public Works Department, No. 1,085 B. M., dated 29th August 1871, requiring that military buildings or works should be kept in a proper state of efficiency and repair, have not been fully observed by the Local Engineers, I am, therefore, to invite special attention to the orders referred to, and to request that a strict observance of the rules in future may be enforced upon Superintending and Executive Engineers.
