*Proceedings of the Madras Government, Public Works Department,
3rd September 1874.*

No. 76. Read the following letter from A. C. LAWFORD, Esq., Officiating District Engineer, South Canara, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Belthangdy, 30th July 1874, No. 50:—

No funds having been provided for the work noted in the margin in G. O., No. 1,943 of 20th July 1874, as applied for in the statement of demands for incomplete works, dated 21st April 1874, No. 14, I have the honor to inform you that the whole allotment, Rupees 300, Constructing a tiled shed over the bomb-proof roof of the Solitary Cells of the Infantry Regiment at Mangalore, sanctioned in G. O., No. 902-D of 31st March 1874, estimate Rupees 355.

placed at my disposal under the head "Minor New Works" Military "Imperial" has been appropriated for that work, and request that you will be so good as to move the Government to sanction, for the said work, a further allotment of Rupees 55, which is the difference between the amount of the sanctioned estimate, Rs. 355, and that appropriated by me.

2. I have also the honor to point out that no allotment has been sanctioned in the Government Order under reference for the Munsif's Court House at Cassergode, sanctioned in G. O., No. 71 of 15th April 1874, as applied for in my statement of demands for incomplete works, dated 21st April 1874, No. 15; but the work has been fully completed as ordered in this Government Order and handed over to the Judicial Department.

No. 77. ORDER THEREON, 3rd September 1874, No. 2,503,.

MILITARY WORKS, No. 5.

THE District Engineer will observe from paragraph 2 of G. O., No. 1,943, dated 20th July 1874, that amounts below Rupees 500 required for the completion of works were not allotted, as these will, it is expected, be counterbalanced by savings later in the year. Specific allotment of the balances of the estimates for the two works in question accordingly appears unnecessary.
