Proceedings of the Madras Government, Public Works Department, 4th September 1874.

No. 78. Read the following endorsement of the Acting Secretary to Government, Revenue Department, dated 17th August 1874 :—

Read the following Proceedings of the Board of Revenue, dated 6th August 1874, No. 2,116.

From the Honorable D. ARBUTHNOTT, Collector of Tanjore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Tritrapundi, 6th July 1874, No. 182.

WITH reference to the Order of Government, dated 20th December 1873, No. 3,062, communicated in Board's Proceedings, dated 12th January 1874, No. 187, calling upon me to explain the cause of the delay in handing over the site of the new Sub-Magistrate's Cutcherry at Vedarniem to the Public Works Department, I have the honor to report that, as far as I have been able to make out from the records, orders appear to have been issued in the year 1869 to the Sub-Magistrate of Vedarniem to make the necessary arrangements, and a report made by him to the Collector on the subject, but that the matter was allowed to lie over probably because the work was not then to be proceeded with.

2. No application, however, was made by the Public Works officers for handing over the site to them till the month of August last, when the Range Officer who chanced to meet the Sub-Magistrate, verbally told him that the construction of the new Sub-Magistrate's Cutcherry was sanctioned, and asked him to make over the site as soon as possible. On the receipt of Major Mead's letter, dated 25th November last, I wrote to the Deputy-Collector to make the necessary arrangements for handing over the site.

3. The Range Officer after being twice written to, took charge of it on the 16th January 1874.

SUBMITTED to Government with reference to G. O., 5th January 1874, No. 8, Revenue Department.

2. The explanation of the delay in handing over the site for the Vedarniem Cutcherry does not seem to the Board to be altogether satisfactory.
