*Proceedings of the Madras Government, Public Works Department,
4th September 1874.*

No. 99. Read the following letter from J. H. LATHAM, Esq., Chief Engineer and Manager of the Madras Irrigation and Canal Company, to Lieutenant-Colonel, J. MULLINS, R.E., Chief Engineer for Irrigation, dated Kurnool, 11th August 1874, No. 97:—

Acting Chief Accountant.

INASMUCH as the Chief Accountant and Storekeeper, Mr. Badham, has not returned from sick leave at the official termination of six months on the 31st ultimo, and I have no news of him from the Secretary this mail, I have the honor to recommend that immediate steps be taken to release Mr. Crawford, who hitherto has acted for him, and whose presence is much wanted on the canal.

2. I propose that the Chief Engineer's Head Clerk, Mr. C. Dawson, be put in charge of the Accounting and Store Offices on a salary of Rupees 180, under the name of Head Clerk, until the return of Mr. Badham. Mr. Dawson has been clerk in a mercantile firm at home, and I feel reasonably sure will soon become equal to managing the office as Head Accountant.

3. Mr. Crawford's management has been of great value. He has examined the whole detail of current accounts; and I can confidently introduce several modifications which will be beneficial in relieving the Chief Accountant's Office of all correspondence and work not strictly belonging to that department, and will also alter the method in accordance with the Examiner's wishes.

4. It will be wise to postpone the change till the end of this month, in order that some overdue accounts may be sent in before the change takes place. I send a copy of this letter to the Examiner to save time.

No. 100. ORDER THEREON, 4th September 1874, No. 2,513.

IRRIGATION, No. 16.

THE arrangements proposed by the Chief Engineer and Manager, Madras Irrigation and Canal Company, for conducting the duties of the Chief Accountant, consequent on Mr. Badham's prolonged absence, without any intimation having been received as to whether he is likely to return shortly, or at all, are approved.
