No. 101.

No. 2,514.

From

COLONEL G. W. WALKER, R.E.,
Secretary to the Government of Madras,
Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

ESTABLISHMENT, No. 6.

SIR,—Under the circumstances reviewed in the accompanying Proceedings of Government, No. 1,328, dated 18th May 1874, His Excellency the Governor in Council has been compelled to hold in abeyance the functions of the Inspecting Engineers who were appointed on the recommendation of the Government of India, and to relegate those officers to District charges. As, however, it is considered highly desirable that the services of Inspecting Officers should be occasionally available for purposes of inspection, His Excellency in Council has ordered the arrangement described in paragraph 3, strengthening the Office Establishments of the five Superintending Engineers to the extent shown in the accompanying Statement, which also includes several very small additions to the sanctioned cost of the Establishments of the Consulting Architect to Government, the District Engineer of the Neilgherries and Range Office of the Cumbum Range in the Kurnool District. The necessity for the increases in question is fully explained in the papers herewith transmitted. It will be observed that no excess over the aggregate cost of the Establishment is involved, but, on the other hand, a saving has been effected; and, under these circumstances, I am to request the confirmation of the Government of India to the Proceedings.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Government.
