*Proceedings of the Madras Government, Public Works Department,
5th September 1874.*

No. 117. Read the following letter from Captain W. F. TAYLOR, Acting District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp Eldurti, 12th August 1874, No. 78:—

I HAVE the honor to submit a travelling allowance bill forwarded by Mr. Johnston, Assistant Engineer in charge of Kurnool Range, together with disallowance statement from the Controller, for the final orders of Government. Mr. Johnston was directed to proceed to Kurnool and take charge of No. 1 Range (*vide* Notification, *Fort St. George Gazette*, of the 28th April 1874), and fully believing that he was to join his new appointment as expeditiously as possible, lost no time on being relieved of his charge at Coimbatore in proceeding to Kurnool by rail; he took his traps, horses, tents, etc., with him, fully believing that such outlay as he incurred on their transit would be reimbursed by Government. He was perfectly well aware that horses and tents were not to be had here, and had he come up without his animals and travelling equipage he could not have attended to his duties.

2. Under these circumstances, I would respectively recommend his claim for the favorable consideration of His Excellency in Council.

No. 118. ORDER THEREON, 5th September 1874, No. 2,523.

ESTABLISHMENT, No. 7.

THE cost (Rupees 79-3-0) of conveyance of horses and camp equipage may, under the circumstances, be admitted by the Controller.
