Sir

I have the honor to acknowledge receipt of your letter dated 19th August 1874, No 3212;

2. There appears to be no reason why the cost of repairing the Wallajah Bridge should not, when ascertained, be recovered from Mr Pereira. He appears from the Police Inspector's report, to admit that the damage done to the Bridge, was through the carelessness of his (Mr Pereira's) Coachman.

3. Before any steps can be taken to recover anything from Mr Pereira the bridge should

should be repaired & the cost of such repairs ascertained so that it may be known what amount should be claimed from Mr Pereira.
