*Proceedings of the Madras Government, Public Works Department,
10th September 1874.*

No. 209. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort Saint George, 7th July 1874, No. 2,904:—

With reference to G. O., No. 1,747, of the 29th June last, and to the debit against the provision for Tools and Plant *Ordinary* (Agricultural), I have the honor to request that you will be good enough to inform me what arrangement is intended to meet the expenditure in England on account of stores. Judging from paragraph 3 of G. O., No. 1,358, of the 21st May 1874, the Extraordinary grant will provide Rupees 1,615 only for this purpose, and, if so, Rupees 23,385 will have to be reserved from the Ordinary Agricultural Grant.

No. 210. ORDER THEREON, 10th September 1874, No. 2,573.

IRRIGATION, No. 23.
Account.

THE Government observe that, if necessary, the assignment for Tools and Plant under Ordinary will be supplemented by transfers later in the year; but that, as far as can be judged at present, the provision in the Budget will be likely to suffice to cover expenditure in England on account of Stores, Agricultural, Ordinary, as well as the few demands for Tools and Plant under that head which may be made in this country, and for which payment may have to be made.
