Proceedings of the Madras Government, Public Works Department, 11th September 1874.

Read the following letters :—

No. 239. From Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp Kaddiri, 7th August 1874, No. 880.

I HAVE the honor to forward, for your disposal, the accompanying original papers from Mr. Hudson, claiming carriage for office tent during the time he was in charge of the Madanapully Range. In reply to his Memorandum, I informed Mr. Hudson that I did not consider it necessary to refer the matter. In his second he refers to G. O., No. 2,401 of 12th October 1872, but I do not consider the two cases as similar; at the time the allowance was granted to Mr. O'Ratigan he had charge of four taluqs and had no Sub-divisional Officer to assist, whereas before Mr. Hudson came to the Madanapully Range, Mr. Schoury had joined and taken charge of two taluqs out of the four.

No. 240. From the same Officer, dated Camp Kundookoor, 18th August 1874, No. 953.

As requested in your Memorandum, No. 613 of the 12th instant, I have the honor to forward the accompanying extract from the Contingent Bill for March 1874, of the Madanapully Range, showing details of Mr. Hudson's claims for the conveyance of an office tent while in charge of Madanapully Range.

No. 241. ORDER THEREON, 11th September 1874, No. 2,586.

ESTABLISHMENT, No. 16.

UNDER the circumstances represented by Mr. Hudson in his letter of the 15th July 1874, to the District Engineer, His Excellency the Governor in Council considers that the charge of Rs. 6-6-4 may be admitted. But this indulgence shall not be held to form a precedent for any similar charge by an officer of the Engineer Establishment holding the range.
