*Proceedings of the Madras Government, Public Works Department, 14th September* 1874.

No. 291. Read the following endorsement of the Officiating Controller of Public Works Accounts, dated Fort St. George, 2nd September 1874, No. 4,924 :—

From W. A. GOODCHAP, Esq., District Engineer, Kurnool, to T. MOSS, Esq., Officiating Controller of Public Works Accounts, dated Kurnool, 24th August 1874, No. 13.

I HAVE the honor to forward a bill of charges incurred by me for conveying my tents and horses by train from Madras to Ghooty.

2. There has been some delay in making this claim, as I had to apply to the Railway Authorities for vouchers to enable me to attach them to the document now sent for audit.

3. As the cost of carriage, of some of my private things, was mixed up in the certificate granted by the Railway, I have charged 20 Rupees for tents which I think was the actual cost.

FORWARDED to the Secretary to Government, Public Works Department, for submission to Government, with reference to paragraphs 5 and 6 of the letter from the Government of India, communicated in G. O., No. 663, of the 11th March 1872.

(Signed) T. MOSS,
