No. 318. Read the following endorsement of the Acting Secretary to Government, Revenue Department, dated Ootacamund, 1st September 1874 :—

Read the following Proceedings of the Board of Revenue, dated 20th August 1874, No. 2,325.

Read again letter from the Collector of the Kistna District, dated 13th December 1873, No. 1,882, recorded in Board's Proceedings, dated 3rd February 1874, Miscellaneous No. 699.

Read also the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 27th May 1874, No. 904.

In reply to Board's Proceedings, No. 699, dated 3rd February 1874, I have the honor to report that the extent of the Inam land taken up for channels is included in the title-deed. The Inam is charged with a quit-rent of Rupees 4, exclusive of former Jodi, Rupees 226, which is payable to the Zemindar.

2. A revised statement showing the money compensation recommended to be granted to the Inamdars is submitted according to the instructions conveyed in paragraphs 1 and 3 of the Proceedings under reply.

3. The saleable value of the land lost may be estimated at Rupees 35 per acre.

4. Rupees 71-4-0 was deducted, because it has been the custom not to pay for loss of crop when the compensation is made in money. If the Rupees 71-4-0 is allowed, it seems that an equivalent compensation for loss of crop from Fasli 1271 to 1283 should also be granted, amounting to Rupees 231-9-0.

5. It has also never been usual to grant interest.

6. The number of the title-deed is 212.

Enclosure No. 1.—Statement.

Submitted for the orders of Government.

2. The land was taken up for channels about 1856, and, according to the then practice, the Collector was authorized to assign land in lieu of it in eligible localities, but the Inamdars were unable to select suitable lands and wished to have money compensation. The Collector accordingly proposed to pay to the Inamdars 20 years' assessment, *minus* Rupees 71-4-0, paid on account of loss of mesne profits before Fasli 1271.

3. The Collector was called upon to explain why the amount paid on account of loss of mesne profits was deducted from the amount of compensation proposed, and he explains that it has not been usual to pay for such loss when compensation is paid in money, and that, if the amount is not to be deducted, the Inamdar should be allowed a further compensation of Rupees 231-9-0 on account of loss of mesne profits from Fasli 1271 to 1283.

4. The Board are clearly of opinion that the Inamdar is entitled to 20 years' assessment, or the value of the land, *plus* the mesne profits lost in past years, and accordingly recommend that Rupees 582-13-0 be granted as compensation. This should be paid from the funds provided for irrigation works.

5. The saleable value of the land is stated to be Rupees 35 an acre, the number of acres taken up being 31·37.

6. The Board sanction the reduction of quit-rent from Rupees 4 to 3-12-0 from Fasli 1284.

PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 3d February 1874.

Read the following

No 1882

From

G. D. Leman Esqre

Collector of the Kistna District

To J. Grose Esqre

Secretary to the Board of Revenue

Sir

I have the honor to forward herewith a Statement showing the names of certain Inamdars of Nuzid Division, Jaricholum [illegible] Compensation in land was sanctioned by Government in their Proceedings No 2061 dated 22d September 1862 for lands taken up for public purposes according to the practice then in existence, an account was submitted through the Board of Revenue and sanction obtained to assign lands to the Inamdars in any eligible localities

The

2. The Inamdars now state that they are unable to select suitable lands, and that they would therefore prefer to have money compensation instead. I therefore beg that the Board will be pleased to sanction the payment of the amounts indicated in the accompanying Statement to the Inamdars concerned.

Collectors Office
Masulipatam
13th December 1873

I have &c
(Signed) G. D. Leman
Collector.

The Collector is requested to report whether the portion of the Inam land taken up for the Channels is included in the Title deed granted for the Inam by the Inam Commissioner if so whether it is not charged with any quit rent. If it bears Jodi or quit rent, the money compensation should be calculated, with reference to the assessment minus the quit rent chargeable on the portion lost, as the quit rent will have to be deducted from the amount given in the Title Deed.

2. The Collector is also requested to state the saleable value (?) of the Inam lost at the present market prices.

3. It is not clear why in calculating the amount of compensation with reference to 20 years assessment the sum of Rs 71-4-0 paid on account of Fasli 1267 to 1270 has been deducted. The Board consider that as the twenty years sum is not to be paid with interest from Fasli 1267, when the land was taken up, the amount paid to the Inamdar on account of the past years need not to be taken into account.
