Proceedings of the Madras Government. Public Works Department,
17th September 1874.

No. 355. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 2nd September 1874, No. 1,597 :—

WITH reference to O. G., No. 2,661, of 30th October last, I have the honor to report that the well in the compound of the Subsidiary Jail at Arnee has been sunk to a depth of 28 feet.

2. This year has hardly tested the water-supply as we had heavy rain at an exceptionally early period, but Lieutenant Bevan reports that from inquiry he is led to believe that "there would be at least 4 feet of water in the well during a normal dry season." At present the depth is 13 feet.

No. 356. ORDER THEREON, 17th September 1874, No. 2,645.

CIVIL WORKS, No. 27.

RECORDED, and communicated to the Judicial Department.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, North Arcot.
