Proceedings of the Madras Government, Public Works Department,
18th September 1874.

No. 397. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Ammoor, 24th August 1874, No. 1,501 :—

WITH reference to G. O., No. 1,172, of 4th May 1874, I have the honor to report that the Officer Commanding at Vellore has addressed me on the subject of the bath-room to the Native Infantry Hospital at that station, inquiring when funds are likely to be available for the construction of the work, which the Medical authorities consider to be much wanted.

2. I have informed Colonel Drayner that I believe the Reserve under Military to be exhausted, but that I would make a reference on the subject ; as the sum required is small (Rupees 295) it is possible that funds may be made available.
