*Proceedings of the Madras Government, Public Works Department,
21st September 1874.*

No. 451. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevelly, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 2nd September 1874, No. 91:—

I HAVE the honor to bring to your notice that the District Engineer, Cuddapah, having requested that Overseer Serjeant Murray might (as suggested in my No. 34, dated 3rd June 1874, to your address) be directed to join his district, this Overseer left for Cuddapah on the 6th ultimo.

2. To fill the vacancy in this district caused by Overseer Murray's removal, I applied to the Principal, Civil Engineering College, to recommend one of the recently passed men, and in accordance with his recommendation I nominated Visvanada Iyer to the vacant post. This Overseer joined on the 25th July, but the Controller has refused to pass his pay on the ground that Serjeant Murray having gone to Cuddapah to fill a vacancy caused by Sub-Engineer Mr. Hall's resignation, as Mr. Hall has not yet been relieved there is no substantive vacancy.

3. The Controller's memorandum is appended for your information.

4. As the removal of Serjeant Murray left an undoubted vacancy in the number of Overseers allotted to this district, I considered it right to fill it up at once, not knowing the precise cause of the vacancy in Cuddapah.

5. I trust, therefore, you will be good enough to authorize the Controller to pass Visvanada Iyer's pay from the date of his joining the district.

Remarks of the Controller of Public Works Accounts on the Supplemental Salary Bill of the Northern Range for July 1874 for the pay of Visvanada Iyer, Overseer, 3rd grade.

It is observed that the transfer of Serjeant Murray from the Tinnevelly to the Cuddapah District is connected with certain promotions ordered in consequence of Sub-Engineer Mr. Hall's resignation of appointment.

2. As, however, Mr. Hall has not yet been relieved of his duties in the department, these promotions have not had effect, and Serjeant Murray's transfer to the Cuddapah District has not, for the present, caused a vacancy in the Taluq Overseer grade. The pay, therefore, claimed on behalf of Visvanada Iyer in the Tinnevelly District cannot be admitted without special sanction.

ESTABLISHMENT, No. 32.

It does not appear from these papers that the appointment of Visvanada Iyer to the vacancy created by the transfer of Mr. Overseer Murray caused an excess in the total number of Overseers; and

as it was necessary to fill up the vacant place in the Tinnevely District, the Controller will be authorized to admit Visvanada Iyer's pay from date of entertainment.

Remarks of the Controller of Public Works Accounts on the Supplemental Salary Bill of the Northern Range for July 1876. for the pay of Viswanada Iyer, Overseer 3rd Grade.

It is observed that the transfer of Sergeant Murray from the Innively to the Buddapah District is connected with certain promotions ordered in consequence of Sub: Engineer Mr. Hall's resignation of appointment.

As however Mr. Hall has not been relieved of his duties in the Department, these promotions have not had effect and Sergeant Murray's transfer to the Buddapah District has not for the present caused a vacancy in the Salary Overseer Grade.
