Proceedings of the Madras Government, Public Works Department, 21st September 1874.

No. 458. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E, Superintending Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 6th August 1874, No. 556:—

ADVERTING to paragraph 4 of G. O., No. 1,934, dated 2nd August 1873, I have the honor to report that the District Engineer's Office tent has become quite worn out from long use, and is altogether unserviceable, and that for the want of a tent to accommodate my Office Establishment during my tours of inspection, I am put to great inconvenience.

2. In G. O., No. 1,974, dated 8th August 1873, the Government granted a sum of Rupees 610 for the purchase of tents for this district; of this sum Rs. 240 were utilized in the 1st and 3rd Ranges, and the balance, Rupees 370, was surrendered (*vide* Statement showing savings and demands, dated 7th February 1874,) as tents were not then procurable.

3. Under these circumstances, and as the tent in question is past repair, being in fact a mere bundle of rags, I beg that the Government will be pleased to sanction a sum of Rupees 200 under the head "Tools and Plant, Imperial" for the purchase of a new tent for the use of my office. I may mention that I have received an advice from Madras of a new office tent being procurable within a few days' notice, and I solicit therefore early sanction for the amount named.

No. 459. ORDER THEREON, 21st September 1874, No. 2,684.

ACCOUNT, No. 25.

THE sum of Rupees 200 applied for is sanctioned in anticipation of savings hereafter.
