*Proceedings of the Madras Government, Public Works Department,
21st September 1874.*

No. 462. Read the following letter from Colonel C. V. WILKIESON, R.E.,
Superintending Engineer, Coimbatore, to Colonel G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated
Coimbatore, 28th July 1874, No. 58:—

ADVERTING to G. O., No. 1,439, dated 2nd June 1873, and the correspondence

as per margin, I have the honor to
submit, for sanction and provision of
funds, a plan and two estimates, amount-
ing in the aggregate to Rupees 3,900,
for constructing four Overseers' Offices
and Stores in the undermentioned taluqs
of this district:—

	RS.
1. Palladum Taluq at Tirpoor	910
2. Oodamulpetta Taluq at Oodamulpetta	910
3. Sattiamungalum Taluq at Kodivelly	910
4. Collegal Taluq at Hassanoor or Burghoor	1,170
Total...	3,900

2. The site for the Collegal Taluq Office will be decided either at Hassanoor
or Burghoor when I proceed to Collegal and fix a suitable place for it.

No. 463. ORDER THEREON, 21st September 1874, No. 2,686.

CIVIL WORKS, No. 34.

A sum of Rupees 910 is sanctioned
for providing Office and Store accommo-
dation for each of the Overseers of the

Palladum and Oodamulpetta Taluqs of the Coimbatore District as per plan and
estimate submitted with the Superintending Engineer's letter, No. 58, of 28th
July. Funds will be provided when available.

2. It is not understood why an office is demanded for the Sattiamungalum
Overseer for whom one was erected a few years ago on the south side of the
Bhowany bridge at that place.

3. The Collegal Range Office being available for the Taluq Overseer must
be so utilized. As much road work remains to be carried out in Collegal, an office
for the Local Fund Overseer may be appropriately built at Hassanoor. But propo-
sitions for provision of such accommodation must be submitted to and disposed of
by the Local Fund Board.
