*Proceedings of the Madras Government, Public Works Department,
22nd September 1874.*

No. 500. Read the following letter from G. S. SAGE, Esq., District Engineer South Arcot, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp at Port Novo, 7th September 1874, No. 120:—

I HAVE the honor to forward a disallowance statement, in which Controller declines to pass tentage to a European Taluq Overseer; I think the Government

Order alluded to by him was only intended to apply to Native Overseers, as without tents European or East Indian Overseers cannot get shelter. In many cases Christian and Mussulmen Overseers (natives) are also obliged to use tents, as they cannot get shelter in villages owing to caste prejudices, and as it is quite impossible for European or East Indian Overseers to provide themselves with tents and carry them about, I have the honor to request the orders of Government may be obtained on the subject.
