No. 561. ORDER THEREON, 29th September 1874, No. 2,733.

ACCOUNT, No. 31.

IN paragraph 2 of G. O., No. 1,943, dated 20th July 1874, the total amount of the Provincial Reserve at the disposal of Government (Rupees 48,705) was held available for incomplete works of last year, and the Financial Department were requested to allot the balance of Rupees 43,850 remaining to be provided.

2. In the orders above recorded this balance of Rupees 43,850 is granted, together with a sum of Rupees 56,150, for specially urgent demands on account of sanctioned works which it has hitherto been found impracticable to provide for. In the selection of works to be carried out from the additional assignment now made, preference has been given to those estimated to cost less than Rupees 2,500 which do not usually find places in the Regular Budgets. Other sanctioned works still unprovided with funds must necessarily be deferred for entry either in the Budget of 1875-76 or for provision from the Reserve of that year.

4. It is observed that the works noted below which have been brought forward in the orders under consideration have already been provided for from the Convict Labor Fund in G. O., Financial Department, No. 1,207, dated 20th July 1874, and no provision has, therefore, been made for them here :—

	RS.
Subsidiary Jail at Punganoor, North Arcot	5,200
Do. at Chendragherry	4,130
Do. at Maderpauk	3,900

5. The Financial Department will be requested to provide for the following works also from the Convict Labor Fund :—

Madura.—Civil Debtors' Jail at Madura. Estimate Rupees 13,678, sanctioned in G. O., No. 215, dated 24th July 1874 ...	1,278

6. Small sums required for works of the nature of repairs as in the case of the works sanctioned* to the Taluq Treasury rooms at Sattiamungalam† and Collegal‡ can probably be provided by reappropriations from the Repair grants at the disposal of District Engineers, and when this is practicable proposals for transfers should be submitted.

* In G. O., No. 1,977, dated 22nd July 1874.
† Rupees 290
‡ „ 160

7. An allotment of Rs. 1,500 is entered in the list under Communications, being the supposed cost of a new entrance from the Kotergherry road into Ootacamund now in hand, which it is desirable to open as a practicable bridle-path as soon as possible.

8. The District Engineer of Ganjam will provide for the repairs of four travellers' bungalows in the Chetterpore Circle from the funds already at his disposal.

Sanctioned in G. O., No. 250, of 29th July 1874.

Funds.—Passing orders on the Proceedings in the Financial Department allotting an additional grant of Rupees one lakh under "Provincial."

N° 676 District Engineer's Office
Cantonment Trichinopoly 22 May 74

From

Lieut. Colonel A. A. Roberts R.E.
District Engineer Madura

To

Colonel G. W. Walker R.E.
Secretary to Government P.W.D.

Sir,

As directed in G.O. N° 92, under date the 15th January 1874, I have the honor to request that Government will be pleased, in order to enable me to carry out the work in question, to allot the necessary funds for constructing a Dead House at Ramnad, for which an estimate of Rupees 690 has been sanctioned in G.O. in the Financial Department N° 1868, dated 20th December 1873, communicated to me with the G.O. above quoted.

I have the honor to be
Sir
your Most Obed Servant
Lieut Col RE
District Engineer,

Proceedings of the Madras Government, Financial Department,
29th June 1874.

No. 266. Read the following Proceedings of the Board of Revenue, dated 19th June 1874, No. 1504:—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 19th May 1874, No. 42

I HAVE the honour to transmit, with reference to G. O., dated 16th March 1874, No. 443, Financial Department, a statement showing that in the past year 368 persons rested in Subba Row's chuttrum in Ootacamund.

2. The order calls upon me to report whether the chuttrum is of any real use, as I had forwarded an estimate for its repair. The chuttrum is frequented by all the caste people visiting Ootacamund who can find no better lodging.

3. I submitted the statement to the Municipal Commissioners in view to ascertaining whether, instead of repairing the chuttrum, some arrangement could not be made for building a caste chuttrum adjoining the Municipal chuttrum by means of joint Government and Municipal funds. The Commissioners arrived at the conclusion that a joint chuttrum would not secure the object intended, because caste people would object to tenant it. This opinion was held in view of the circumstance that the Municipal chuttrum is surrounded by buildings tenanted by Pariahs, while Subba Row's chuttrum is in the caste quarter, and has been occupied as a caravanserai since the beginning of 1850, when it was transferred to Government on condition Government should maintain it and keep up an establishment of Rupees 10 per mensem.

ENCLOSURE No. 1.— Statement.

SUBMITTED to Government with reference to G. O., Financial Department, dated 16th March 1874, No. 443.

The estimates forwarded with the Commissioner's letter, dated 30th January 1874, No. 7, are sanctioned.

2. The question of the provision of funds will be considered in the Public Works Department.

Proceedings of the Madras Government, Financial Department,
24th August 1874.

No. 142. Read Proceedings of Government in the Public Works Department, dated 20th July 1874, No. 1943.

Read the following papers:—

With the above letters District Engineers submit statements of demands from the Reserve of 1874-75, comprising (1) incomplete works of 1873-74, (2) new works not yet commenced.

2. It is observed that under Provincial the demands on account of incomplete works, and three small uncommenced works for which funds have been promised, amount to Rupees 92,537 against a Reserve balance of only Rupees 48,705.* Reference is made, therefore, to the Financial Department for provision of the balance of Rupees 43,850. The chief item is Rupees 20,600 for completing the Nurses' quarters on the third storey of the centre block, General Hospital, a work ordered to be emergently undertaken at the end of last season. Works for which Rupees 500 only or less are wanted do not require specific allotments, such small sums being counterbalanced by later savings. It will rest with the Financial Department whether it will be possible hereafter to provide for a number of sanctioned but uncommenced works of considerable urgency deferred for want of funds. The Public Works Provincial assignment has been 1½ lakhs less this year than last, so that hardly any but incomplete works have found a place either in the Budget or Reserve Lists.

* Including balance under Tools and Plant.

No. 143. ORDER THEREON, 24th August 1874, No. 1410.

Adverting to paragraph 2 of the foregoing Order, the Governor in Council observes that the assignment made in the Provincial Services Budget for 1874-75 under the head of "Public Works," exclusive of the grant to Local Funds, was Rupees 12,00,000.

2. The amount upon which appropriations were made in the Order in the Public Works Department, dated the 16th March 1874, No. 716, appears, however, to have been restricted to Rupees 10,50,000, leaving unappropriated Rupees 1,50,000. Of this sum, allowing Rupees 25,000 for "Petty Construction and Repairs, Miscellaneous Departments," Rupees 1,25,000 are set free.

3. The Governor in Council now resolves to withdraw this amount, and to allot to the Public Works Department, from the amount credited to Provincial Funds by G.O., dated 20th July 1874, No. 1207, Rupees 43,850, the amount specified in paragraph 2 of the foregoing Order in the Public Works Department, as well as a sum of Rupees 56,150 for the following, and any other works which may hereafter be sanctioned:—

Rupees 3,770 for the construction of a Store-shed at ~~Negapatam~~ Cuddalore (Financial G.O., 16th May 1874, No. 852).

„ 1,800 Special Assistant Agent's Bungalow at Koraput (Judicial G.O., 23rd May 1874, No. 926).

Rupees 5,200 Sub-Magistrate's Cutcherry at Ponganoor, North Arcot (Judicial G.O., dated 17th June 1874, No. 1103).

„ 4,130 & 3,900 Subsidiary Jails at Chendragherry and Maderpak, North Arcot (Judicial G.O., dated 3rd July 1874, No. 1217).

„ 10,000 Purchase of Mr. Brett's property at Ooossor, Salem (Financial G.O., dated 17th July 1874, No. 1191).

In para 2 of G.O.
No. 1943 dated 20th July 1874
the total amount of the
Provincial Reserve at the
disposal of Government
(Rs. 40705) was held availa-
ble for Incomplete works
of last year, and the Fi-
nancial Department
were requested to allot
the balance of Rs. 43050
remaining to be provided
for

In the orders above recorded this balance of Rs. 43850 is granted together with a sum of Rs. 56150 for specially urgent demands on account of ~~sanctioned new~~ works which it has hitherto been found impracticable to provide for. In the selection of works to be carried out from the additional assignment now made preference has been given to those estimated to cost less than Rs. 2500, which do not usually find places in the regular budgets of other

fund in G.O. No 1207 of
20th July 1874 and no provi-
sion has therefore been
made for them here.

Small sums required for works of the nature of repairs as in the case of the works sanctioned to the Taluq Treasury rooms at Tattamangalam and Collegal can probably be provided by re-appropriations from the Repair grants at the disposal of Dt Engineers, and when this is practicable proposals for transfers should be submitted.

x Sanctd: in G.O. No. 1977 of 22nd July 74.

Rs: 290
" 180

An allotment of Rs 1500 is entered in the list under Communications; being the supposed cost of a new entrance from the Kotagherry Road into Ootacamund

which now in hand, which it is desirable to open as a practicable bridle path as soon as possible—
