*Proceedings of the Madras Government, Public Works Department,
18th April 1874.*

No. 203E. Read the following letter from Captain H. BAILEY, Executive Engineer in charge of the Salem District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Salem, 13th April 1874, No. 12 :—

I HAVE the honour to forward copy of a letter from the Tripatore Range Officer, No. 21, of the 10th instant, and to request Government will be pleased to sanction the advance of Rupees 60 made by that officer to Overseer Kallianaramier being charged in that range accounts.

From Mr. W. H. HISCOX, Executive Agent in charge of Tripatore Range, to Captain H. BAILEY, Executive Engineer in charge of Salem, dated Camp at Uttengherry, 10th April 1874, No. 21.

I HAVE the honour to address you on the subject of an advance of one month's salary amounting to Rupees 60, which I paid to Overseer R. Kallianaramier, the newly-appointed Overseer for the Uttengherry Taluq on the 6th of this month.

2. The Overseer on reporting himself to me at Tripatore applied for an advance of one month's salary to enable him to proceed to the Uttengherry Taluq, as well as to provide himself with a pony and other camp equipage. He being new to the place, and not having friends in it, was consequently unable to raise money for himself.

3. On considering that candidates who pass out from the Civil Engineering College invariably receive an advance of one month's salary to enable them to join their appointment, etc., and that Kallianaramier would have received the same privilege if he waited sufficiently long at Madras after his appointment to receive it, I therefore made the advance thinking that I was justified in doing so, and informed the Controller of Public Works Accounts at once of the step I had taken, stating that the advance would be received from the Overseer in three instalments of 20 Rupees each month.

4. I received the enclosed reply from the Controller to my letter above mentioned, and request that you will be pleased to obtain the confirmation of Government to the advance referred to.

No. 203F. ORDER THEREON, 18th April 1874, No. 1,006c.
