ADVERTING to the Proceedings of the Government of India, No. 3-8 A.—G.R. of the 6th January 1873, and 27 A.—G. R. of 13th January 1874, I have the honour to submit herewith the Regular and Financial Estimates of the Madras, Great Southern of India, and Carnatic Railways for 1873-74 and 1874-75 respectively. The former are based on the *actual* cash transactions for nine months and the actual transfer transactions for seven months, the figures for the remaining months having been *estimated*.

2. The instructions conveyed in the Order of this Government, No. 149, of the 16th January 1873, have been adhered to in the case of the Financial estimate of the Madras Railway; the Agents of the Great Southern of India and Carnatic Railway Companies however consider that the figures submitted by this department fairly represent their anticipations of the year's transactions, they having been founded on the figures accepted by Government for the Administrative Budget of 1874-75.
