I HAVE the honour to request you will be so kind as to arrange for three additional Overseers being posted to this district to assist in superintending the construction of the new Cutcherries* now in progress in three of the ranges here.

I am sorry to be compelled to make this requisition, but I fear it will be very difficult to carry out those important buildings satisfactorily without the aid solicited. In the event, however, of your not being able to comply with the above request, I must ask you to be good enough to permit the Maistries,
