Proceedings of the Madras Government, Public Works Department, 25th February 1874.

No. 487. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G.W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 7th February 1874, No. 79 :—

I HAVE the honour to submit, for the sanction of the Government of India, indent No. 111 (in duplicate) on the Board of Directors of the Madras Railway Company for five tons of patent lubricating compound for the use of the Locomotive Department. The cost is not stated in the indent, as it is not known.

2. In submitting the indent the Agent writes as follows :—

"During my recent visit to England my attention was directed to the great advantages of the patent lubricating compound which is used in the axle boxes of the carriages on the Metropolitan and other railways, and is found to be very economical and effective.

"After conferring with the Locomotive Superintendent we are anxious to give the compound a trial."

No. 488. ORDER THEREON, 25th February 1874, No. 468.

RAILWAY, No. 78.

ORDERED that the indent submitted with this letter be forwarded for the sanction of the Government of India.
